Your support makes a difference!

Your donation to FOHHAS is an investment in nature preservation and education. Program revenue covers just 45% of the costs associated with protecting and maintaining Hunt Hill while also offering professional environmental programming. Additional funding is provided through memberships, donations, fundraisers and endowment funds.

Your valuable dollars ensure that Hunt Hill can continue to be affordable and accessible to all while still providing quality programming and protection of nearly 600 acres of pristine Wisconsin habitats. Plus, members receive discounts on programs, cabin rentals and nature store purchases.

When we say we couldn't do it with out you, we really mean it. Thank you.
