Canoeing, Hiking, and Swimming

Be sure to check hunthill.org or call for programs offered during your stay. Canoe use (at no extra charge) is available for adults, or family members with an adult present, as required by state recreational/educational camp codes.

There are 10 miles of beautiful trails through 400 acres of prairie, forest, bogs and along glacial lakes for all to enjoy. Although swimming is not allowed at the Hunt Hill beach front, (unless a lifeguard is present) the Shell Lake Beach is only 15 minutes away.

There are wonderful fishing/boating opportunities near by, as well as shopping, community festivals, bird watching, snowshoeing and cross-country skiing.

About Hunt Hill

Hunt Hill is a 501(c)(3) nonprofit nature sanctuary supported by donations, memberships, program attendance and grants. Donated to National Audubon in the 1950’s, it is now run locally by a dedicated group of volunteers know as the Friends of Hunt Hill Audubon Sanctuary (FOHHAS). With a free lease of the land from Audubon, FOHHAS has been managing the property since the 1980’s with an emphasis on nature programs and camps for all ages. As a nature sanctuary we encourage a ‘leave no trace’ approach to exploring and appreciating the natural world.

Our facility in the main campus features dormitories, a library, barn dining hall, program learning center, cedar deck with open air amphitheater and office. Guests can rent our facilities for birthdays, weddings, family reunions; attend programs and schedule school groups.

Directions:

From Spooner: South on Hwy 53, East on Hwy B, South on Hwy M, West on Audubon Rd., North on Hunt Hill Road into camp.
