Do you want to ensure youth have the opportunity to explore nature?

Do you love the serenity and beauty of natural areas?

Do you want to leave a legacy?

If you answered 'YES' to any of these questions, help protect Hunt Hill Audubon Sanctuary by making a pledge and contribution today.

For the past 60 years Hunt Hill has preserved hundreds of acres of pristine northern Wisconsin habitat, kept it open to the public, and has been a location to learn about and discover nature for visitors near and far.

Hunt Hill's 600 acres include glacial lakes, cutover and old growth forest, prairie, marsh and bogs. This diverse habitat has made us a natural location

for hands-on outdoor education. Enrollment has grown through the years and in 2016 we welcomed nearly 1300 school children for spring field trips from across northwest Wisconsin. Our summer camp programs have been very popular with hundreds of youth attending camps that include topics such as: Wildlife Detectives, Survival, Awesome Amphibians, Pioneer camp and more. We continue to strengthen partnerships with environmental and educational establishments such as local schools, libraries, lake associations, WDNR, UW-Extension, Wisconsin Colleges and more.

Current funding for implementation of education programs, preservation of habitat, and maintenance of infrastructure comes primarily from program fees and foundation support. Hunt Hill does not receive government assistance.

Now, thanks to the generous support of the Cleveland Family Foundation, the Friends of Hunt Hill Audubon Sanctuary (FOHHAS) have the opportunity, with your support, to raise \$2 million dollars for an endowment! **The Cleveland Family Foundation will match every dollar we raise, up to \$1,000,000 over a three year period!** All money raised for this campaign will be put into an endowment fund for The Friends of Hunt Hill Audubon Sanctuary (FOHHAS). The endowment will ensure that FOHHAS has a solid financial base so that we can support ongoing operations, expand programming and improve facilities.
