

You are invited to come to Butternut Hills Golf Course for our Sixth Annual Golf Scramble. We promise an exceptional day of social golf where we have the opportunity to support our wonderful Hunt Hill Audubon Sanctuary. Hunt Hill is 600 acres of pristine wilderness open to everyone and managed locally by volunteers to reconnect people--especially kids--to nature. We encourage you to stop over to Hunt Hill and see all the new and exciting things happening as a result of the generous support of friends like you.
