We also have an amazing staff. As I reflect on all that has happened this year, so much of our success and the positive experiences visitors have, is due to the love and hard work that each of our staff put into Hunt Hill.

This year we celebrated Larry Piskie, who is the longest employed FOHHAS employee at 20 years! Larry’s knowledge of Hunt Hill facilities, his hard work ethic, and the obvious pride he takes in keeping Hunt Hill beautiful are observed every day through the enjoyment of our clean and well-kept facilities and grounds.

Sally Bartz is finishing her 6th year on staff and continues to be an amazing asset to the Hunt Hill team. In addition to being a kind, intelligent, helpful and productive Office Manager, she also often goes above and beyond by writing thank you notes on her days off, or showing up to flip pancakes just to help out in the summer.

In 2019 FOHHAS was lucky to have Sage Dunham become our Program Director (PD). Sage has been involved in nearly every aspect of Hunt Hill camp, from camper to volunteer, Summer Educator to Day Camp Director. She is thoughtful, knowledgeable, reliable, creative and thorough. She has improved our social media presence, slowly led Sally and I into the 21st century, can reach things on the top shelves, and had record-breaking school field trip attendance!

This spring we also hired Mark Sauer as the Head of Maintenance. Mark is a force as he zips from task to task. He’s always going above and beyond to help Hunt Hill, has brought in new volunteers, and is willing to help with any project that is thrown his way. He’s got a lot of gumption and if he doesn’t know the answer, he’ll find it to ensure he gets things right the first time.

Deb Bouma continued as our Cabin Coordinator where she works hard all hours of the day to meet the needs of our visitors, and as a result, has improved our overall guest satisfaction and ratings for both cabins.

In addition to our permanent staff, Hunt Hill depends on seasonal staff to run our programs during the summer months. A special thank you to Luis and Bob for agreeing to be our Spanish Camp Directors. We are grateful for Head Cook, Mary Kupper and assistant Carol Mott, who planned and offered quality meals in a clean and efficient kitchen. Thank you to our Day Camp Director, Taylor Schutz and her Summer Educators for working hard to offer fun and active summer programs. Thank you to the School Educators who offered engaging field trip programs, regardless of the weather. Although there is much to celebrate, this year we also mourned the unexpected passing of the very engaging School Educator, Dan Genereau. He is missed by staff and students.

Of course there are so many others who contribute to the success of Hunt Hill through volunteerism. We are successful because so many individuals give their time and talents to help Hunt Hill grow. A special thank you to our Board of Directors for being so supportive of our staff.

I love my Hunt Hill family and am so grateful for the time staff and volunteers spend away from their family, friends and home to make sure that Hunt Hill continues to make positive memories for people and protect our beautiful patch of Wisconsin waters and lands. Thank you!

Nikki Janisin
Ten Noteworthy Accomplishments in 2019

1. **Completed the MDM**  
   After 3.5 years and thanks to just over 750 different donors, in June we successfully raised $1 Million, which was matched by Dave and Carolyn Cleveland for the endowment.

2. **Completed Construction**  
   Thanks to Richard and Marcia Grand, SDS Architects and V&S Construction, the new Richard Grand Recreation Hall was completed in June.

3. **Welcomed Marcia Grand**  
   FOHHAS was so excited to welcome Marcia Grand back to camp after 37 years away. We enjoyed the opportunity to show her all the improvements, to meet current and past board and staff and enjoy camp activities.

4. **Threw a HUGE Party**  
   In honor of Marcia’s generosity and the new Richard Grand Recreation Hall, we held a ribbon cutting ceremony followed by a free community party on Sept. 7. It included free lunch, bounce houses, face painting, tie dye, games, watermelon seed spitting contest, s’mores and more!

5. **Stormwater Management**  
   In partnership with Washburn County Land and Water Conservation Dept. a grant from the WI DNR helped fix storm water runoff issues by adding 2 raingardens with educational signage, a waterway and blacktopping the path through camp.

6. **1,900+ School Kids**  
   In Sage’s first year as Program Director, she successfully coordinated so many school field trips that we set a new record for attendance.

7. **Updated Signage**  
   Thanks to funds from Taste of Washburn County and a discount from Northern Cross Arms, we were able to add new brown-treated trail signs. Phase 1 was complete this year by adding trail signs at intersections and some trail heads.

8. **20 Years with Piskie**  
   We celebrated Larry Piskie and his 20 years on staff at Hunt Hill. Larry is the longest employed FOHHAS employee. Congrats Larry and thank you for your work!

9. **New Supplies**  
   Thanks to Marcia Grand’s support, we were able to purchase many items from our wish list, such as: recycling cans, picnic tables, porch furniture, matching tables and chairs in the Rec Hall, bounce house, new portable sound system, educational materials, AED, dryer and more!

10. **Grant Support**  
    We received a grant from Bosch to support the MDM, a grant from WI DNR for storm water management*, beneficiary of the Taste of Washburn County, Barron Electric donated time to help us install new parking lot poles for lights and Royal Credit Union donated new Leopold Benches. Thank you! 
    
*See #5
Thanks to the generosity of Marcia Grand, in honor of her husband Richard, FOHHAS was able to remodel and add on to the old Program Garage. The addition gave us a lobby, storage, bathrooms with year round water, heating and cooling. The remodel gave a face lift to the existing structure with flooring, moveable walls, storage spaces and upgraded the wood furnace and sound system. The maintenance shop was moved to its new building, allowing the lower level to be cleaned out and turned into our display area and craft room.
Between December 1, 2018 - November 30, 2019, we raised:

$92,988

### Giving by Level

- **90%** of donors gave $1-$999 between December 1, 2018 - November 30, 2019
- **6%** of donors gave $1,000 - $4,999 between December 1, 2018 - November 30, 2019
- **4%** of donors gave $5,000 - $9,999 between December 1, 2018 - November 30, 2019
- **0%** of donors gave $10,000 or more between December 1, 2018 - November 30, 2019

### 4-YEAR TOTALS

The Million Dollar Match Campaign began its silent phase in 2016 after Dave and Carolyn Cleveland offered to match every dollar raised, up to $1M. We went public with the campaign in the spring of 2017. The matching campaign officially ended with the last match from the Clevelands in June 2019, 6 months before the official end of the fundraising campaign.

Donations and Pledges by Year

- **2016 Actual:** $164,367 55 Donors
- **2017 Actual:** $332,948 558 Donors
- **2018 Actual up to November 30:** $417,500 324 Donors
- **2019 Actual up to November 30:** $92,988 247 Donors

Amount raised OVER the $1 Million goal: $7,803!

### GIVING TUESDAY

On Tuesday, December 3, Facebook waived all fees on donations made on their site. Further, Facebook offered to match donations, up to $7 Million nationwide. Since the MDM campaign wrapped up early, this year’s Giving Tuesday funds will support program upgrades. Thanks to an incredible network of supporters, we achieved the following:

- We had 4 individuals start a Facebook Fundraiser and had 17 shares
- 45 people donated to Facebook Fundraisers and more gave directly on our Facebook page
- The fundraisers raised: $2,649. We won’t know what the page raised until January
- Facebook will announce what funds were matched by January 2020
My name is Rosa, and I live in Madison. I’m black, and I’m proud.

Every summer my little sister and I go to stay with my Grandma in Chetek. I’ve been going to Hunt Hill for four years. I’m 11 now, so I only have one summer left for day camps.

I love the different day camps and when we have the one-night sleepover. It’s fun when the weather is nice, but it’s just as fun when it’s rainy and windy.

I’ve made a lot of friends at Hunt Hill, and sometimes we make play dates for days when we don’t go to camp. Last year I made best friends with Brylee, and we met to have fun in Hayward one day.

One funny memory I have of camp is when we had the Fishing Day Camp, and someone got their fishing line stuck in a tree! Ha!

I also loved it when we ate around the campfire at the Kids Campout, even though the smoke kept getting into my eyes!

#### Budget and Income Overview

**Unrestricted Income Sources**

- **Programs**
- **Foundations**
- **Fundraisers**
- **Rentals**
- **Donations**
- **Membership**
- **Nature Store**

#### As of October 31, 2019

**Budget Summary**

**Assets - Liabilities = Equity**

$6,420,004 - $8,162 = $6,411,842

**Income - Expenses = Net Income**

$516,713 - $379,892 = $136,821

**Net Restricted Inc.**

$164,606

**Net Unrestricted Inc.**

($27,785)

**Restricted -vs- Unrestricted Income**

Restricted income is given for a specific use like an endowment, a specific project, or specific equipment purchase. Unrestricted is for any use.

**Total Endowment Funds**

We have $3,645,160 in endowment accounts. We are able to withdraw up to 4% from each account as long as the balance doesn't go below the original amount gifted.

We will withdraw $64,000 in 2019, which is 45% of what is available for withdrawal.

---

**Year-end audited financials will be available, upon request, after June, 2020**

Birds & Beer Booming
Birds and Beer is a monthly traveling series where nature lovers gather at informal locations such as breweries, restaurants, and bars for a nature presentation while enjoying a drink and snack. Since its inception in 2017, Birds and Beer has been growing in popularity, and 2019 was no exception!

In 2019, there were ten Birds & Beer events, seven of which were sold out before the day of the program! On average, there were about 61 people in attendance at each Birds and Beer. That average is up 53% from 2018! The event with the highest attendance was Bats and Beer at Round Man Brewing Company with 130 participants present!

Successful School Field Trips
School field trips are an integral part of Hunt Hill’s mission. Every school day in May and the first week of June of 2019 there were field trips here at Hunt Hill! At the end of each trip, the chaperones filled out a survey to share their opinion of the trip. All chaperones from all 37 field trips stated that they "Agree" or "Strongly Agree" that the trip was both interactive and educational for students!

Program Attendance

* Day Camp counted by each child present at each day of camp.
* Schools count by each student that attended field trips at Hunt Hill.
* Programs include participants attending any program found in the program guide.
* Cakes at the Lake are participants clicked in for breakfast.
* Contracted programs include groups that needed a contract.
FACILITY UPDATES

Completed the Richard Grand Recreation Hall

Built a gravel Picnic Pad

Blacktopped Path in Camp

Installed Rain Gardens

Updated Cabin Furniture, Plumbing & Electrical

New Trail Signs

Carolyn Cleveland

After attending a fundraiser in 2006, Carolyn joined the board in 2007 and has been a nonstop force of improvement and change at Hunt Hill during her 4 terms.

She has served as Vice President, President, Immediate Past President, Fundraising Chair, Ladies Night Out Chair, served on every committee and, during her year off due to term limits, she still attended every board meeting. Although she has met her term limit at the end of 2019, she is such a committed member of the Hunt Hill family, she has offered to stay actively involved.

Carolyn is always willing to help with any task that needs to get done. She has dressed in costumes for events, hosted events at her home, planned new events, brought in new volunteers, given our cabins a much needed update, and helped guide policy. She's climbed ladders to help paint, built benches, helped stabilize an old barn, participated in programs, flew across country to advocate for Hunt Hill, and has attended 50 many meetings to ensure our success.

With the support of her husband Dave, Hunt Hill has a beautiful amphitheater in her honor, and most recently, they helped us create a $2 million endowment because of their generosity to help us raise the money and then matched the $1 million in funds raised.

Carolyn's contributions to Hunt Hill both monetarily and through volunteerism have created a legacy worth celebrating.

Wayne Sabatke

After helping out in various capacities at Hunt Hill, Wayne joined the FOHHAS board in 2002. During his 5 terms on the board, he has served as President, Vice President, Major Gifts Chair and has served on many committees, including hiring committees for both recent Executive Directors.

As a long time Long Lake Preservation Association Board Member, Wayne was pivotal in establishing the long term partnership that Hunt Hill and LLPA enjoy today, including the Cakes at the Lake series and shared office space.

Wayne successfully advocated and helped coordinate a number of successful grant programs for Hunt Hill, including Pepper Creek shoreline restoration, the YES program, display rain gardens around the campus, and most recently a partnership with the Washburn County Land and Water Conservation Dept. with the WDNR to address storm water issues in camp.

When given the opportunity to raise $1 Million for our big match campaign, many people shied away from taking the lead, but Wayne volunteered without hesitation. He assembled an amazing volunteer team that successfully raised the entire one million dollars and even did it 6 months before the deadline.

Thank you Wayne for so many incredible years of service.

Richard Grand Recreation Hall

In 1982, Richard and Marcia Grand attended an adult camp at Hunt Hill. With the stressors of a busy and successful career and life in general, Hunt Hill gave them the opportunity to unplug from the demands of life and enjoy time in nature. That experience stuck with them.

Since that special experience, the Grands have been a vital part of the survival and eventual growth of Hunt Hill. In addition to providing financial support for general operations each year, they've supported special equipment purchases, endowments, and land purchase. Most recently, Marcia's donation in honor of Richard, allowed us to reroute our driveway, build a maintenance shop, update our electrical service and septic system, fix our parking lots and turn the garage into the wonderful Richard Grand Recreation Hall.

We had the honor to welcome Marcia back to Hunt Hill in September and we soaked in every moment. In addition to being incredibly generous, her enthusiasm, kindness, sense of humor, incredible knack for remembering names and her ability to keep Storme on his toes made for a very special experience.

During the grand opening celebration, Marcia said, "The spirit that first brought us here, and kept us involved is still here. That spirit, is a palpable thing. You can feel it when you walk around the grounds, when you talk with people. Richard always felt that it is our duty as a person to help and protect those less fortunate than us. And when he says 'those', he's not only talking about human beings, he's talking about plants, and animals, and it's our job to help them. And Hunt Hill teaches that. To our community. To our young people."
