Prairie Fling is a family-friendly, outdoor event held at Hunt Hill Audubon Sanctuary. The festival includes local vendors, live-animal programs, community groups, children’s activities, entertainment, food and more. The event is well advertised through radio, newspapers, online and social networks.

Hunt Hill is now accepting applications for vendors. Applications are open to vendors selling items such as artwork, natural goods or remedies, dairy, meat, produce, baked goods, greenhouse plants, etc. No buy/sell items are permitted. Nature/earth themes are encouraged. Photos of the product should be included in the application. We do not accept samples for consideration.

Each vendor is provided a 10’ x 10’ space. All booths will be on the grass of a well-manicured lawn. Spots may have some unevenness, but will be relatively flat. *Subject to change based on weather and ground conditions.

*Please Note: Setup for 2020 vendors has changed. Vendors will be in the ‘main camp’ and interspersed with other activities and booths during the festival. Vendors will be allowed to unload vehicles from our upper parking lot. Volunteers and carts will be available to help unload and move merchandise/booth supplies to your designated location. Driving on the grass or on paved paths is strictly prohibited. All vendor vehicles must then be parked in the overflow parking across from the event. Shuttle services will be available to bring you to and from camp to your vehicle.

Vendor set-up is between 7:30-9:30AM the day of the festival. The event will be held rain or shine. No early takedowns are permitted. Vendors are responsible for their own displays and tents.

**Deadline to apply:** April 10, 2020  
**Notification sent:** April 17, 2020
