Our Mission: Hunt Hill is a nature preserve and learning center, open to all, dedicated to fostering understanding, appreciation and protection of the environment.
WHAT IS HUNT HILL?
Hunt Hill is a 501(c)(3) nonprofit nature sanctuary supported by donations, memberships, program attendance and grants. Donated to National Audubon in the 1950’s and now run locally by a dedicated group of volunteers known as the Friends of Hunt Hill Audubon Sanctuary (FOHHAS). With a free lease of the land from Audubon, FOHHAS has been managing the property since the 1980’s with an emphasis on nature programs and camps for all ages. As a nature sanctuary we encourage a ‘leave no trace’ approach to exploring and appreciating the natural world.

WHAT CAN I DO AT HUNT HILL?
Our facility boasts 10 miles of hiking trails through 400 acres of forest, meadow, glacial lakes and bogs plus a main campus featuring dormitories, library, barn dining hall and program learning center. Guests can hike our trails; rent our facilities for birthdays, weddings, family reunions; attend programs; schedule school or bus groups; and enjoy weekend retreats in our rustic cabins.
