If you've already added individuals to your family account, continue to THESE instructions.

How To Add Family Members To Your Account:
On your Hunt Hill account page, above and to the right of the person icon, there is an 'Add Family Member' button. Click it. Fill in complete and accurate information on the pop up and hit 'Submit'. When you add someone to your family account, you become the Primary, and are the only one who can act on their account.

Who To Add: Only add spouse/partner and any person(s) under your care.

Note About Grandchildren: Unless you'll be registering them for all activities, do not add your adult children or grandchildren to your family account. Encourage your adult children to create their own account with their children as part of their family.

About Membership for Grandchildren: If you purchase a family membership and want your grandchildren recognized under your membership, contact Hunt Hill, after your grandchild has an account under their parent, and we can give them access to your member benefits.

3) REGISTERING PEOPLE OUTSIDE OF YOUR FAMILY ACCOUNT

Online: At this time you are not able to sign up individuals outside of your family account online.

By Phone: If the individual you want to register has their own account (not connected to your family account), you can register and pay for them by calling Hunt Hill at 715-635-6543. However, we strongly encourage the individual to access their own account and register themselves online.

Individual without an Account: If an individual is not able to set up their own account online (no computer, no internet, etc.), they should contact Hunt Hill at 715-635-6543 and a staff member will create an account for them. Once an account is created, they can register or by registered by others for programs by contacting Hunt Hill.

Note About Registering Grandchildren: Once a parent has created an account and added their children, parents can register the child for programs online, or the grandparent can call Hunt Hill 715-635-6543 to register them.
