Earth Day - ROOT(ED) - Event

Thank you for your interest in becoming a sponsor of Hunt Hill's Earth Day event in 2024!

Hunt Hill is a 501(c)3 nonprofit nature preserve and learning center, open to all, dedicated to fostering understanding, appreciation and protection of the environment. Hunt Hill is located between Rice Lake and Spooner, near Long Lake. Our 600-acre nature sanctuary is open to the public and provides educational programming to all ages. In 2023 Hunt Hill hosted 1,775 area school children and thousands of visitors from across the region who had the opportunity to learn about nature, in nature.

Hunt Hill's Earth Day event will be an educational celebration of businesses, organizations, and individuals whose purpose and passion have displayed immense stewardship to the Earth in our community. This 2nd annual event will feature educational presentations, hands-on activities for kids, a farm-to-table themed lunch, and more. And all of it will be free to participants!

To cover the costs associated with presenters, refreshments and food, and materials for the hands-on activities, we are turning to our community for help. The information below and on the back of this sheet outlines the program, sponsorship levels, and sponsor promotions.

Details of Hunt Hill's Earth Day event:

Date: Saturday, April 20, 2024

Time: 10am - 2pm

Registration: Is encouraged, but not required.

Activities:

- Four engaging presentations
- Hands-on activities will be available for children
- Food and refreshments

We appreciate your consideration and support. For more information, contact Program Coordinator, Marissa Ginger at 715-635-6543 or program@hunthill.org. To learn more about Hunt Hill, go to www.hunthill.org.

**See the flipside of this form for Sponsor information.*

Thank you!
